Education

Purdue University - User Experience (UX) Design - May 2026 Graduation - GPA: 3.61

- Minors in Psychology, Organizational Leadership, and Communication
 - John Martinson Honors College
-

Work Experience

Undergraduate Assistant - Purdue Knowledge Lab, West Lafayette IN (August 2025 - Current)

- Acting in a patron-facing role providing information about the makerspace, assisting patrons in realizing creative projects across many disciplines, and executing equipment rentals and returns
- Planning and teaching workshops related to sewing and fabric arts to Purdue Students and Faculty

Human Factors Summer Worker - Abbvie, Green Oaks IL (May - Aug 2024, June - Aug 2025)

- Created system for cataloging and comparing Information For Use (IFU) documents for both Abbvie products and competitors by listening to and predicting stakeholder needs
- Interpreted stakeholder wants and needs and compiled relevant terms, definitions, and citations from regulatory documents to create the structure for a new regulatory job aid

Shift Lead - Duck Donuts, Libertyville IL (May 2022 - Aug 2023)

- Managed store operations and supervised a team of 6 employees. Trained four new employees
 - Responsible for all aspects of food production including customer interaction, and order fulfillment
-

Classroom Project Experience

Evaluation of Purdue Libraries Website

- Worked with Purdue library staff to evaluate the usability of the library's current database search features
- Conducted comparative analysis, current state testing, and discovery interviews to determine needs of undergraduate students experienced and inexperienced in research source databases

Investigation of Lafayette/West Lafayette Bus System, CityBus

- Analyzed user complaints and stakeholder needs, and conducted contextual inquiries to determine that redesigning the CityBus app and its functionality would address the most relevant issues
 - Redesigned the Citybus app to promote ease of use for new users, and to reduce time spent on the app tracking bus positions
-

Leadership Experience

Alpha Theta Delta Design Fraternity - Purdue University, Vice President

- Responsible for logistics, communications, and establishing meeting agendas

Purdue Sewing Club - Purdue University, President

- Responsible for planning meetings, teaching members, and facilitating collaborations with other clubs
-

Publications

Plaskoff, J., Frey, E. (2024), "Strategically addressing the post-COVID organization: the hope of employee experience", Strategic HR Review. <https://doi.org/10.1108/SHR-01-2024-0001>
